INSTRUCTIONS

Congratulations on your purchase of the LITTLE GIANT® MIGHTYLITE™ stepladder. These instructions, along with the safety labels on the ladder, will help you get the most out of your MIGHTYLITE stepladder by learning how to use it safely. Please do not ignore the instructions, study them! If you have questions about how to operate your stepladder, please search our safety resources at www.LittleGiantLadders.com/SafetyToolbox, or call us before using your ladder system. Your safety and satisfaction is most important to us.

To learn more about accessories and other LITTLE GIANT ladder products, please visit our website at www.LittleGiantLadders.com or contact your local distributor.

Welcome to the LITTLE GIANT family!

Little Giant Ladders

LittleGiantLadderSystems

LittleGiantLadderSystems

TO OPEN:

Push down on the platform until the ladder is unfolded, continue to push on the platform until it is securely engaged.

TO CLOSE:

Grab the handle at the back of the platform and pull upwards, disengaging the platform. The ladder will then fold inward until it is in storage position.

DANGER: MISUSE OF A LADDER MAY RESULT IN A FALL, SERIOUS INJURY, PARALYSIS OR DEATH. LITTLE GIANT LADDER SYSTEMS ASSUMES NO LIABILITY FOR DAMAGE OR INJURY THAT MAY RESULT FROM FAILING TO FOLLOW ALL INSTRUCTIONS CORRECTLY. HEED THE FOLLOWING SAFETY PRECAUTIONS:

PROPER SELECTION

1. Select ladder size to reach work without climbing above the highest standing level or over-reaching.
2. Weight of user, tools, and materials shall not exceed working load capacity.
3. Use a fiberglass or wood ladder if working with or around electricity.

TRANSPORT AND STORAGE

1. Secure ladder when transporting to avoid excessive wear or loading at vehicle support points.
2. Store ladder where dry and protected from unsafe materials, impact, or corrosion damage.

INSPECTION

1. Inspect before use. Do not use ladders with missing, loose, damaged, or non-operating parts.
2. Make sure locks are in good working order.
3. Replace heavily worn feet and illegible labels. Never make temporary repairs of damaged or missing parts. Remove damaged or worn ladders from service, and contact manufacturer for replacement parts.
4. Keep ladder clean and free of slippery substances.
5. Destroy ladder if exposed to fire or chemical corrosion.

PROPER SET-UP AND USE

1. Do not use ladder if your judgment or balance is reduced by age, health, alcohol, or drugs.
2. Designed for use by one person at a time. Do not exceed working load.
3. Lock spreaders.
4. Do not straddle over ladder top. Do not sit on any part of ladder.
5. Face ladder and use both hands when climbing up or down. Remove jewelry, and wear clean slip-resistant work shoes. Use extreme caution getting on and off ladder.
6. Stand only on front steps of ladder.
7. Lean into or hold onto ladder to maintain three points of contact while working.
8. Do not over-reach. Keep ladder close to work and body centered between side rails. Climb down and move ladder as needed. Do not walk or move ladder while standing on it.
9. Use care if pushing or pulling to side.
10. Do not climb on or off ladder from side unless it is secured against tipping or sideward motion.
11. Have another person hold ladder when possible.
12. Do not use ladder in high winds or storms.
13. Do not spend long periods on a ladder without regular breaks.
14. Never drop or apply an impact load to ladder.
15. Do not use where electrical hazard exists.

WARRANTY

Little Giant Ladder Systems guarantees all its products to be free from material and manufacturing defects. Contact the distributor to obtain local warranty duration information, and if you believe your product is defective, to obtain repair/replacement information.

Distributor contact information can be found at the bottom of a label on the product containing the PAS-Mark logo.

Little Giant Ladder Systems is not responsible for faults in the product if it is clear the fault is due to:

- not using, maintaining or storing the product in accordance to these instructions.
- being rebuilt, modified or subjected to other external damage or accident.
- unintentionally being damaged by any object or substance.
- being overloaded or set up incorrectly.
- being repaired by an unauthorized service partner.

Your LITTLE GIANT ladder may be protected by one or more US or international patents., and or may have additional patents pending. Visit www.LittleGiantLadder.com/patents for details. This web page is provided in compliance with the virtual patent marking provisions of the America Invents Act.
